

# Film Production

## Sports, Leisure & Entertainment

Film production clients are known for paying attention to every little detail, and so are we.

In a dynamic, digitally influenced media environment, surrounded by expensive pieces of equipment, your clients need to be covered in case something goes wrong. For all film professionals based in the UK, we have the solution - a flexible product, adapted to each specific need.

### Key benefits for your clients:

- Reshoot cover
- Key Man cover
- Equipment cover (including theft)
- Film Crew and Support cover
- Negative, Digital and Videotape cover
- Accidental Damage
