Sports, Leisure & Entertainment

Geo Sports, Leisure & Entertainment offers a customisable Golf policy to meet the requirements any golf club may need. With one of the most comprehensive offerings in the UK and backed by first class insurers, our expert underwriters are committed to deliver the best in class service.

The team can assist with queries for golf clubs, driving ranges and all ancillary trades undertaken at clubs across the UK.

Property damage and loss is a common topic for golf clubs and your clients need to be protected against risks like fire, flood, theft and vandalism, and that's where we come in. Our bespoke golf cover can be adapted to suit every client's need.

If your clients are thinking of hosting an event at a golf club, our complementary Events cover can give them the peace of mind they need.
