PROPOSAL FORM

IMPORTANT INFORMATION – YOUR DUTY TO MAKE A FAIR PRESENTATION OF THE RISK

THE FOLLOWING STATEMENT FROM INSURERS NEEDS TO BE ADVISED TO THE PROPOSER(S):

You must make a fair presentation of the risk to us at inception, renewal and variation of your Policy. You must therefore tell us about all facts and circumstances which may be material to the risks covered by your Policy in a clear and accessible manner or give us sufficient information to alert us of the need to make enquiries about such facts or circumstances.

Material facts are those which are likely to influence us in the acceptance of or assessment of the terms or pricing of your Policy. If you are in any doubt as to whether a fact is material, you should tell us about it.

If you fail to make a fair presentation of the risk, we may avoid your Policy (that is treat it as if it had not existed) and refuse to pay any claims where any failure to make a fair presentation is:

- a) deliberate or reckless; or
- b) of such other nature that, if you had told us about a material fact or circumstance, we would not have issued, renewed or varied your Policy.

In all other cases, if you fail to make a fair presentation of the risk, we will not avoid your Policy but we may instead:

- a) reduce proportionately the amount payable on any claim by reference to the ratio which the premium actually charged bears to the premium which we would have charged had you told us about a material fact or circumstance (eg if we would have charged you double the premium, we will only pay half the amount of any claims under your Policy); and/or
- b) treat your Policy as if it had included such additional terms as we would have imposed had you told us about a material fact or circumstance. Payment of any claim you make will be subject to the application of any such additional terms.

For these reasons it is important that you check all of the facts, statements and information set out in this form are complete and accurate. You must check with anyone you employ in your business that the facts and statements set out in this form are complete and accurate.

IF ANY OF THE FACTS, STATEMENTS AND INFORMATION SET OUT IN THIS FORM ARE INCOMPLETE OR INACCURATE, YOU MUST CONTACT US IMMEDIATELY. FAILURE TO DO SO COULD INVALIDATE YOUR POLICY OR LEAD TO A CLAIM NOT BEING PAID.

Question 1

Does the project, for which you are seeking a quotation:

YES NO

- a) involve any basement works or excavation works exceeding 2m, and / or
- b) have a contract value of £10,000,000 or above?.

Question 2

The subject contract is within the UK?

YES NO

Question 3
